SUBMISSION INSTRUCTIONS

Abstracts must be sent using the form for that purpose in the web page of the congress

Abstract Submission will close on July 10, 2015.

Preparing the Abstract

The official language of the meeting is English.

Abstracts, conferences, plenary lectures, oral communications and posters must be in English.

Title: Write your title in sentence case (first letter is capitalized; remaining letters are lower case). Do not bold or italicize your full title.

Author: List all authors who contributed to the work discussed in the abstract. The presenting author must be listed in the first author slot of the list. Indicate the affiliation of all authors. For several institutions, use superscript numbers for identification.

Abstract: Enter the body of the abstract. The body of the abstract should be no more than 2,300 characters, including punctuation but not spaces. Use standard abbreviations. When using abbreviations for chemical compounds, spell out full for the first mention, followed by the abbreviation in parentheses. Do not abbreviate compounds in the abstract title.

Include a sentence indicating the source(s) of research support at the end of the abstract.
