CALL FOR PARTICIPATING IN THE
YOUNG NEUROSCIENTISTS SYMPOSIUM

The Sociedad Chilena de Neurociencia (SCN) calls PhD students, postdocs, and young researchers at initial career stages to participate in the "Young Neuroscientists Symposium" of the Congress. Applicants to this symposium will be selected by contest according to their scientific merits.

Bases:

1. There are four available slots. Selected applicants will be invited to present their work at our meeting. All chosen participants will receive full fellowships that cover registration and accommodation in Valdivia during the congress.
2. At the time of submission, postdoctoral young researchers must have obtained their PhD no more than five years earlier.
3. The awardees must attend the entire congress.
4. Up to two slots will be awarded to applicants who reside outside Chile, and the remaining slots will be allocated to applicants from Chile.
5. Only one applicant from the same laboratory or collaborative research group can be awarded.
6. All presentations must be delivered in English.

Applicant should submit the following documentation:

1. An English abstract summarizing the work to be presented, with a maximum length of 250 words.
2. A curriculum vitae (CV) that provides personal details such as full name, nationality, date and place of birth, country of residence, affiliation, education, awards and honors, research experience, publications, meeting presentations, and any other relevant information.
3. A recommendation letter from your thesis advisor, postdoctoral supervisor, or head of the department highlighting the applicant's qualifications, research contributions, and potential impact in their field

Applications and required documents must be sent to the contact email: sociedadchilenaneurociencia@gmail.com Subject: "YNS 2025". For inquiries, contact tossandonv@uc.cl

Deadline to apply: July 13, 2025
